Instructions for use of this Form

Use of this checklist is mandatory for all Controller OTS Exams (Promotion and Re-Qualification). All 33 items must be covered during the evaluation by either observing the student for each item, or via oral question. Students must pass 90% of all the items listed, with no Critical Task Failures. Regardless of OTS pass/fail status, ALL failed items will be reviewed with the student by the INS/MEN to ensure comprehension.

Place a " $\sqrt{}$ " in each box that is successfully passed. If an item is failed, place an "X" in the appropriate block. If an item is covered in either the Practical or Oral box, place "N/A" in the opposite block. For each "failure" please enter a brief desc
